

USED CAR WEEK

NOVEMBER 11-15, 2019 · LAS VEGAS, NV

2019 ATTENDEE LIST

Used Car Week is about bringing people together, building relationships and uniting the auto industry.

Four major events – the Pre-Owned Con, Auto Fin Con, Repo Con and the National Remarketing Conference – split between two blocks, feature sessions that touch on all corners and facets of the pre-owned vehicle market to ensure attendees get a full pulse on where the auto business is today – and where it’s headed in the future.

Special thanks to Used Car Week’s presenting sponsors: Allied Solutions, Dealer Specialties, DRN, Millennium Capital & Recovery Corporation and SmartAuction.
